

DIRECTIONS FOR USE:

1. Apply Step 1 (Guardian Turf Protection – Super Turf Cleaner & Odor Killer).
Wait 4-12 hours before applying Step 2 probiotic cleaner (Guardian Turf Protection – Super Turf Probiotic Cleaner & Odor Killer)
2. Spray / Apply on soiled surface
3. For tougher stains, soak 1 hour

CLEANING YOUR TURF:

Apply at the coolest time of day. One hour after applying, lightly mist over the area with water. Product continues to work as long as it is damp. For the first time treatment, repeated applications over consecutive days may be necessary. Heavily soiled or highly porous areas may need a stronger dilution than what the attached sprayer offers.

CLEANING OF HIGH-TRAFFIC ANIMAL AREAS:

For cleaning of high-traffic pet/animal areas, apply GUARDIAN TURF PROTECTION. Remove all animals and food/water from premises. Remove all litter and droppings from floors, walls and surfaces of facilities occupied or traversed by animals. Saturate the surfaces with the cleaning solution for a period of 30 minutes. Do not house animals or employ equipment until treatment has been absorbed, set or dried. All treated equipment that will contact food or drinking water must be rinsed with potable water before reuse.

STORAGE & DISPOSAL:

Store in areas inaccessible to children. Store in a cool dry place.
Container Disposal: Non-refillable container. Do not reuse or refill, recycle if available.

KEEP OUT OF REACH OF CHILDREN

INGREDIENTS:

Water, proprietary probiotic, fragrance.
